## **BWA Water Additives Appoints New President and CEO**

BWA Water Additives is pleased to announce the appointment of Graham Merfield as President and Chief Executive Officer of BWA, effective September 8, 2014.

Graham joins us from Segetis Inc., where as Chief Business Officer, he led development and commercialization of high performance bio-based plasticizers and solvents. He comes to BWA with over 20 years of strategic and business management experience in the specialty chemical industry and has held leadership roles at Solvay, Rhodia and Warwick International. Graham has significant global experience having worked in Asia, Europe and North America.

### **About BWA Water Additives:**

BWA Water Additives is the leading global provider of sustainable water treatment technology solutions for the desalination, oil and gas and industrial water treatment markets. BWA antiscalant, corrosion inhibitor and microbiocide technologies provide customers with the essential elements required to meet today's water management challenges. For additional information please visit [www.wateradditives.com](http://www.wateradditives.com).
