BWA Water Additives Appoints New Vice President of Middle East

BWA is pleased to announce the appointment of Richard Barwell as Vice President Middle East, effective 29th August 2015.

Richard has extensive experience in the Middle East and has a flair for building customer relationships, team development and developing long term business partnerships. His role will be to deliver long term sustainable growth in the region aligned with BWA's market strategies and regional growth plan.

Richard has more than 20 years' experience in the water industry, most recently as Business Development Manager with Metito. He also worked for Nalco from 1998 until 2011. Richard will be located in the Dubai regional office and report to Graham Merfield, President and CEO.

About BWA Water Additives:

BWA Water Additives is the leading global provider of sustainable water treatment technology solutions for the desalination, oil and gas and industrial water treatment markets. BWA antiscalant, corrosion inhibitor and microbiocide technologies provide customers with the essential elements required to meet today's water management challenges.
